

Discover why you should work with a SAP Gold Partner

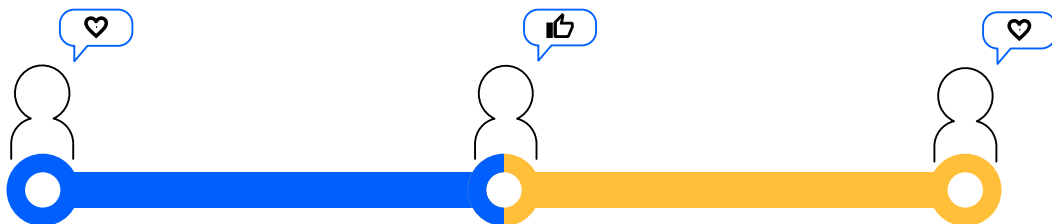

To be a SAP PartnerEdge Gold Partner, SAP asks customers about their project experience with us and with every new customer's voice, our score grows.

This award is a recognition to partners who deliver best-in-class services and make their customers' business success a top priority.

To be a SAP PartnerEdge Gold Partner is the result of Körber's implementation of numerous successful customer projects at HARTING, JYSK and WDT, among others. It demonstrates our expertise in the SAP environment by enabling companies to stay ahead of their supply chain challenges.

Körber Supply Chain Consulting advises and delivers projects and implementation expertise of SAP Digital Supply Chain solutions, such as SAP EWM, SAP TM, SAP YL, along with SAP based add-ons that complement and extend the existing standard services.

With every customer voice, our score is growing

“The software experts were competent partners and always at our side. Working together was amiable and trusting at all times.”

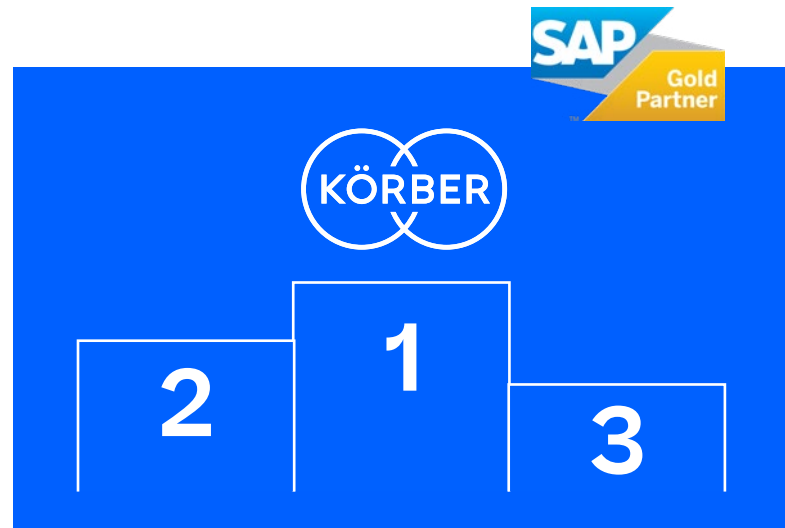

Ernsting's family

“The cooperation was goal oriented and the Körber team was always fast to respond. In addition, their conceptual work was good, their specialized knowledge excellent and their understanding of processes resulted in practical solution approaches.”

BSH Hausgeräte

“It was important for us to find a strong SAP partner with comprehensive references and appropriate own Add-Ons who would make it possible to meet the tight timelines.”
